Cindy, Dave - would you provide the names of the key staff and management from R3 and R6 who should review this?

Dayna, Joanne - what about passing this by their communications and Congressional contacts?

Fred,
I am just back in my office and took a quick look at the consolidated NRMRL response.
It looks fine to me but we need to make certain that these responses are coordinated with - and reviewed by - the Regions involved, as they are also having discussions with the States.
Thanks,
Cindy

Cindy,

Attached are revised responses from NRMRL. The packaging of the information has changed significantly, but most of the substance has been retained. Please review carefully for accuracy and evenness.
